

Gear Up and Game On: Gearbox's 'Remnant II' Streaming on GeForce NOW

Survive the undead against unrelenting odds in the popular 'Remnant II,' among eight titles added to the cloud; plus the 'Guild Wars II' reward is available now.

Author: GeForce NOW Community

Get ready for Gunfire Games and Gearbox Publishing's highly anticipated Remnant II , available for members to stream on GeForce NOW at launch. It leads eight new games coming to the cloud gaming platform.

Ultimate and Priority members , make sure to grab the Guild Wars 2 rewards, available now through Thursday, Aug. 31. Visit the GeForce NOW Rewards portal and opt in to rewards.

Kick off the weekend with one of the hottest new games in the cloud. Remnant II from Gunfire Games and Gearbox Publishing, sequel to the hit game Remnant: From the Ashes , is newly launched in the cloud for members to stream.

Go head to head against new deadly creatures and god-like bosses while exploring terrifying new worlds with different types of creatures, weapons and items. With various stories woven throughout, each playthrough will be different from the last, making each experience unique for endless replayability.

Find secrets and unlock different Archetypes, each with their own special set of abilities. Members can brave it alone or team up with buddies to explore the depths of the unknown and stop an evil from destroying reality itself. Just remember — friendly fire is on, so pick your squad wisely.

Upgrade to an Ultimate membership to play Remnant II and more than 1,600 titles at RTX 4080 quality, with support for 4K 120 frames per second gameplay and ultrawide resolutions. Ultimate and Priority members can also experience higher frame rates with DLSS technology for AI-powered graphics on their RTX-powered cloud gaming rigs.

Ultimate and Priority members can now grab their free, exclusive rewards for Guild Wars 2 , featuring the "Always Prepared" and "Booster" bundles , available through the end of August.

The "Always Prepared" bundle includes ten Transmutation Charges to change character appearance, a Revive Orb that returns a player to 50% health at their current location and a top hat to add style to the character. On top of that, the "Booster" bundle includes an Item Booster, Karma Booster, Experience Booster, a 10-Slot Bag and a Black Lion Miniature Claim Ticket, which can be exchanged in game for a mini-pet of choice.

Visit the GeForce NOW Rewards portal to update the settings to receive special offers and in-game goodies. Better hurry — these rewards are available for a limited time on a first-come, first-served basis.

Grab them in time for the fourth expansion of Guild Wars 2 , coming to GeForce NOW at launch on Tuesday, Aug. 22. The "Secrets of the Obscure" paid expansion includes a new storyline, powerful combat options, new mount abilities and more.

Remnant II is one of the eight games available this week on GeForce NOW. Check out the complete list of new games:
