

Gather Your Party: GFN Thursday Brings 'Baldur's Gate 3' to the Cloud

Celebrate #3YearsOfGFN with a 'Dying Light 2' reward and three new games.

Author: GeForce NOW Community

Venture to the Forgotten Realms this GFN Thursday in Baldur's Gate 3, streaming on GeForce NOW .

Celebrations for the cloud gaming service's third anniversary continue with a Dying Light 2 reward that's to die for. It's the cherry on top of three new titles joining the GeForce NOW library this week.

Mysterious abilities are awakening inside you. Embrace corruption or fight against darkness itself in Baldur's Gate 3 (Steam) – a next-generation role-playing game, set in the world of Dungeons and Dragons .

Choose from a wide selection of D&D; races and classes, or play as an origin character with a handcrafted background on underpowered PCs and Macs. Adventure, loot, battle and romance as you journey through the Forgotten Realms and beyond from mobile devices . Play alone and select companions carefully, or as a party of up to four in multiplayer.

Level up to the GeForce NOW Ultimate membership to experience the power of an RTX 4080 in the cloud and all of its benefits, including up to 4K 120 frames per second gameplay on PC and Mac, and ultrawide resolution support for a truly immersive experience.

To celebrate the third anniversary of GeForce NOW, members can now check their accounts to make sure they received the gift of free Dying Light 2 rewards .

Claim a new in-game outfit dubbed "Post-Apo," complete with a Rough Duster, Bleak Pants, Well-Worn Boots, Tattered Leather Gauntlets, Dystopian Mask and Spiked Bracers to scavenge around and parkour in. Members who upgrade to Ultimate and Priority memberships can claim extra loot with this haul, including the Patchy Paraglider and Scrap Slicer weapon.

Visit the GeForce NOW Rewards portal to start receiving special offers and in-game goodies.

Buckle up for three more games supported in the GeForce NOW library this week.
