

A Golden Age: 'Age of Empires III' Joins GeForce NOW

Stream the popular entry from the hit Xbox franchise along with 10 new games this week.

Author: GeForce NOW Community

Conquer the lands in Microsoft's award-winning Age of Empires III: Definitive Edition . It leads 10 new games supported today on GeForce NOW .

Age of Empires III: Definitive Edition is a remaster of one of the most beloved real-time strategy franchises featuring improved visuals, enhanced gameplay, cross-platform multiplayer and more. Command mighty civilizations from across Europe and the Americas or jump to the battlefields of Asia. Members can experience two new game modes: Historical Battles and The Art of War Challenge Missions. Two new nations also join this edition — Sweden and the Inca — each with advantages for conquering the New World.

Build an empire today and stream across devices in glorious 4K resolution with an Ultimate membership .

The GeForce NOW library is always expanding. Take a look at the 10 newly supported games this week.
